

# GRADES K-2

# STOBER COMMUNITY GARDEN BINGO

Write your initials or name on each box of the garden/nature activity you complete.  
Once you get "BINGO" (five in a row), submit this to the Stober front office by Oct. 17<sup>th</sup> or at the Fall Fest Oct. 19<sup>th</sup> (garden will be open) for a chance to win a gift card to Em's Ice Cream.

Make a color rubbing of a leaf.	Count the number of donor bricks.	Create a dance where you pretend to be garden bugs/insects.	Find something in the garden that starts with "S".	Quietly listen to the sounds of the garden for a whole minute.
Notice the garden logo on the front sign + consider why we made that logo.	Draw/Write a message in the soil with your finger.	Find one plant that grows a food you like.	Name two insects that help a garden.	Make up a story about a worm.
Sing a song to a plant.	Sit down and watch the clouds pass overhead.	<p>Visit the</p>  <p>Stober Community Garden</p>	Write a haiku (5-7-5 syllables) about the garden.	Notice what seems to make a plant strong.
Flap arms like a butterfly throughout the garden.	Touch a leaf that feels rough.	Count how many fairy homes you can find.	Spell a word with the garden rocks.	Guess how many steps it'll take to walk across the whole garden and see if you're right.
Stand like a flower enjoying the sun.	Read a story in the garden.	Take a few breaths in "tree pose" and notice what it's like to be a tree in the garden.	Look at the garden map on the message board. Figure out where you are standing on the map.	Figure out which level has the most garden plots.
